**thirty**

The image shows the number 40 written in a simple, hand-drawn style. The digit '4' is formed by a vertical line on the left, a horizontal line across the middle, and a diagonal line on the right that meets the horizontal one. The digit '0' is a simple oval shape.

**forty**

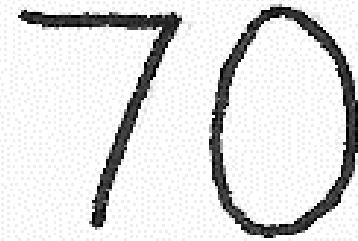

The image shows the number 50 written in a simple, hand-drawn style. The digit '5' is formed by a vertical line on the left, a horizontal line across the middle, and a curved line on the right that meets the horizontal one. The digit '0' is a simple oval shape.

**fifty**

A handwritten number '60' in black ink on a light gray background. The '6' is formed by a single continuous stroke that curves around to the left and then down. The '0' is a simple oval shape.

**sixty**

A handwritten number '70' in black ink on a light gray background. The '7' is formed by a single continuous stroke that starts with a horizontal top bar and then goes down and slightly to the left. The '0' is a simple oval shape.

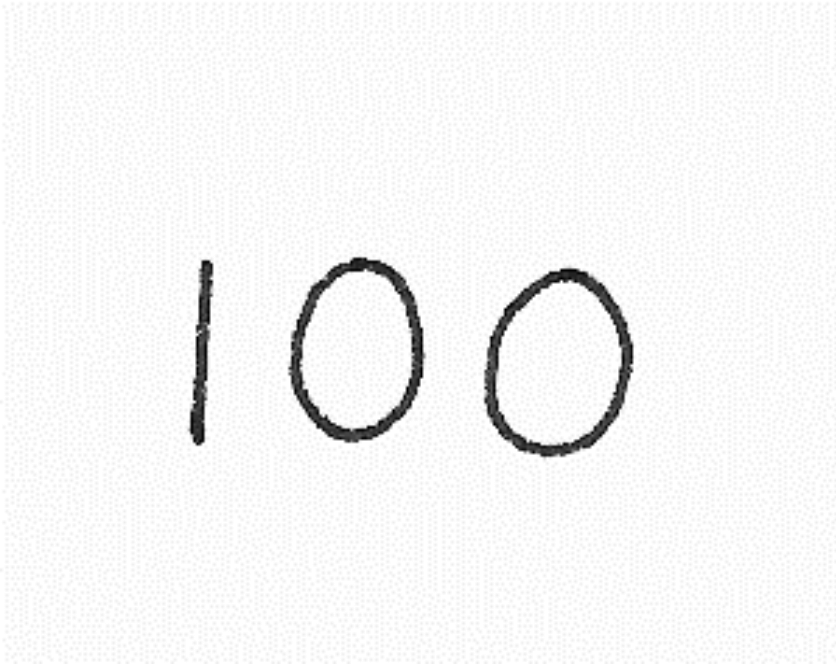

**seventy**

A large, hand-drawn number 80 in black ink on a light gray background. The digit 8 is formed by two stacked circles, and the digit 0 is a simple oval.

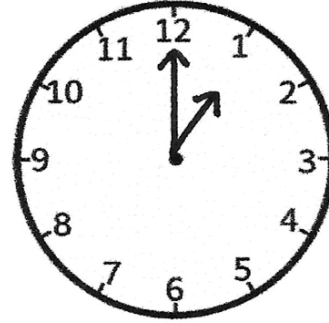

**eighty**

A large, hand-drawn number 90 in black ink on a light gray background. The digit 9 is formed by a circle with a vertical line extending downwards from its bottom, and the digit 0 is a simple oval.
